

Managing RISK in Equinor Projects

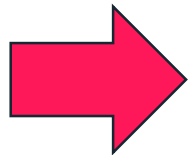

By Robert Heslop
Leading Advisor Planning in Equinor

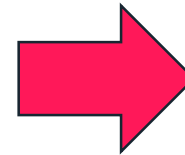

Past

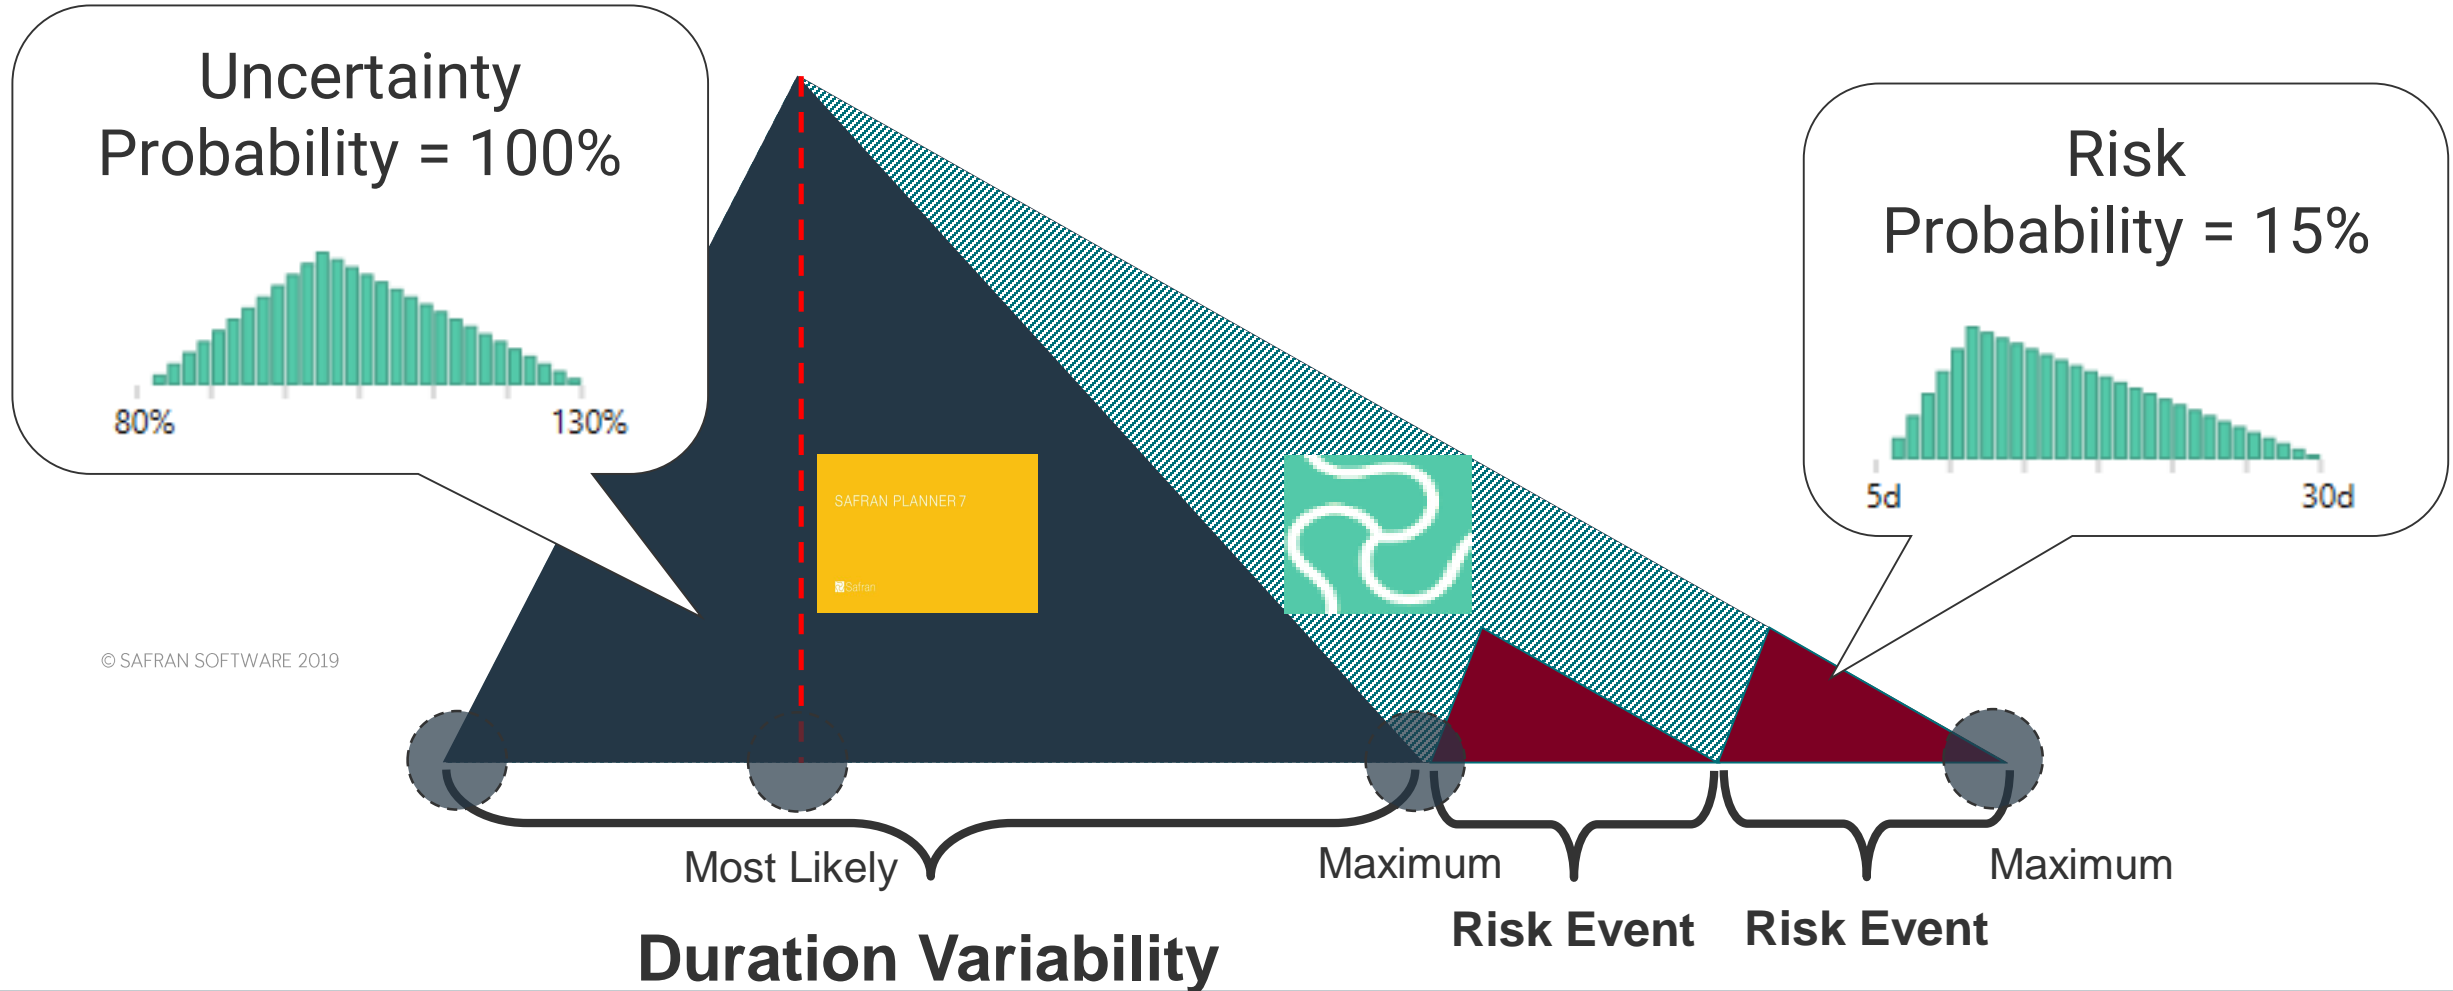

Present

Future

Risk Analysis - Uncertainty vs. Risk

Silo vs. Cross Functional Risk

Experiences so far with Safran RISK.....

- **Safran RISK**

- Schedule risk Analysis (CHECK, ALL GOOD)
- Cost risk Analysis (Minor developments needed)
- API?

- **Internal Equinor**

- Connecting Cost to Plan? How do we do it. What is the basis of our estimate/ or Activity duration?
- Connecting Risk register to Safran Risk– From Manual to Digital transfer.
